

DRAWINGS:

Replace the original sheet with the drawing for Fig. 24A, with the replacement sheet drawing for Fig. 24A attached hereto, responsive to the requirement in the Examiner's Action.

REMARKS:

Responsive to the "Notice of Non-Compliant Amendment" mailed on 9/12/2006, this Revision 2 to Amendment A addresses the format issues for descriptive portion and the claims which were noted in the Notice of Non-Compliant Amendment. This Revision 2 to Amendment A replaces the originally submitted Amendment A and the first revision to Amendment A. Applicant believes that the new independent claims are generic and that all the new claims are in condition for allowance, and applicant respectfully requests such allowance. Applicant is a private inventor and not an attorney, and requests constructive assistance from the Examiner as appropriate.

Respectfully submitted,
